

## ADVANCING STEM EDUCATION FOR DAYTON STUDENTS

Join us for this FREE event for opportunity for discussing important topics in STEM education and workforce with our Dayton colleagues. We'll dive into interactive discussions, networking with fellow STEM enthusiasts, and identifying ways to collaborate on common goals.

This event is perfect for:

- School and district administrators
- Industry professionals
- Higher education
- Teachers
- Curriculum leaders
- School counselors
- Education support services

... and anyone seen as a leader in their STEM area!
