

**FIERF**  
FORGING FOUNDATION

Explore the world of forging through the Forging Foundation's three-day ***Forge the Future Summer Camp***. Students 11-15 years old will have the opportunity to tour a forging facility, participate in STEAM and team building activities, and learn how to forge. Plus, campers will get to take home their own forging!

Is your company interested in inspiring the next generation of forgers? Limited sponsorship opportunities are available. Contact us for more information!
