

## Central Ohio STEM Action Center

*Conversations & Communication*  
Powered by The PAST Foundation

## Ohio STEM Learning Network

OSLN Central OHIO STEM Action Center, the PAST Foundation and OSLN invites you to a regional meeting of schools and partners at 4:30pm for a discussion, sharing, and planning with appetizers @the PAST Foundation (1003 Kinnear). See the changes at the lab, collaborate and plan.

### Agenda:

- Discuss opportunities for the STEM Action Center and the PAST Foundation for schools and educators for the 2022-2023 school year
- Discuss opportunities from OSLN for schools and educators for the 2022-2023 school year
- Identify new partnerships
- Ideate and collaborate new project ideas

Stay for the PAST Foundation's first Maker Mania event of the year and immerse in Design Thinking and Innovation with participants across the Columbus area.
