CAREER SHOWCASE

SATURDAY, FEBRUARY 11, 2017 • 9:30-11:30 a.m.

For students in grades 7-12 and their parents

Presentations

10 to 10:15 a.m. and 10:30 to 10:45 a.m.

- ◆ Learn about STEM career fields from Jan Morrison, President and CEO, Teaching Institute For Excellence In STEM (TIES).

Demonstrations and Activities

- ◆ Observe demonstrations and participate in hands-on activities sponsored by leading companies.
- ◆ Talk to professionals one-on-one about career options.

New! Experience Virtual Reality

- ◆ Discover places you've never been with 3D VR Headsets.
- ◆ Experience dissecting a beluga whale or pulling apart an airplane engine with our 3D AVRover.
- ◆ Chat with Annie, a state of the art manikin to learn how the human body works.

And More

- ◆ Explore remote control Vex Robots.
- ◆ Observe demonstrations on preparing bird research specimens.
- ◆ Think Inside the Box with Invention League.

College Corner

- ◆ Meet college representatives.
- ◆ Receive information on college majors and advice on high school classes to take now.

Career Assessments

- ◆ Take a brief online assessment to help identify your skills and interests.

No registration required. Visit our website for participating companies and colleges.
