NORTHEAST OHIO CELEBRATES

STEM GOES RED™ FOR GIRLS

**EMPOWERING THE NEXT GENERATION
OF WOMEN IN STEM**

The American Heart Association invites you to this year's STEM Goes Red for Girls Experience. STEM Goes Red is designed to provide 7th - 8th grade girls insights into the possibilities and potential they possess to make a real impact on the world around them through STEM. Girls are unstoppable and they're also our future. Together, we can ensure more girls have the opportunity to build a brighter, healthier tomorrow for all to enjoy.
