**Position:** Chief Executive/Educational Officer/Principal

**Contract:** 261 days/negotiable

**Location:** Geauga STEM School

**Start date:** 2015-2016 school year/negotiable

**Salary:** \$90,000

**General description:** Geauga County STEM High School opens to the freshman class in 2015-2016. This school will begin with approximately 100 students. The vision of this school is to provide the highest quality educational experience for students of all abilities that ensures creativity and innovative thinking through a focus of problem solving and strategies that engage minds. A curriculum that incorporates the expertise of content specialists and the diversity of partner resources, which, in combination with innovative teaching and learning practices, delivered in challenging, supportive environment, creates the conditions for student success. The school is an early college entity currently partnering with a variety of higher education entities.

### **Qualifications:**

- Outstanding leadership, committed to positive results
- Effective interpersonal skills that promote collaboration, professionalism, and relationship building with a variety of stakeholders including, but not limited to students, parents, teachers, community leaders, and businesses
- Strong understanding of school fiscal management and sustainability
- Extensive knowledge of innovative instructional methods and strategies
- Advanced computer literacy skills including integration of teaching and learning technologies preferred

### **Responsibilities:**

- To successfully develop and implement a high performing STEM school
- To effectively recruit, select, develop, manage, and retain high performing leaders, teachers and staff dedicated to maintaining a positive school culture/climate
- To lead and direct STEM instructional program and provide for the appropriate professional development in support of instructional goals and culture development
- To effectively identify and engage business, community and higher education in partnerships with the school

**Application Deadline:** **January 31, 2015**
